In the Matter of:  
A Child Alleged to be a Delinquent Child

**CONSENT TO BACKGROUND  
INVESTIGATION AND RELEASE  
OF INFORMATION**

The above-named child and her parent hereby give consent to the Allen County Juvenile Probation Department to make a complete and detailed investigation of the child's conduct and progress in school, the child's medical, physical and mental condition and history, the nature of the child's home and family and other matters concerning the child's home and family, and other matters concerning the child's background, in order to assist the Court and Probation Department.

We hereby direct any person, agency or school corporation having any such information to release it to a Probation Officer of the Allen Superior Court Family Relations Division verbally or in writing and allow unrestricted access to all records, including, but not limited to, physical examination and other medical data and records, psychological, psychiatric or psychometric evaluations or testing, intake summaries, and case plan reports to such officer.

We further authorize the Allen County Juvenile Probation Department to release any information or records in its possession to any psychologist, psychiatrist, physician, social agency or Court placement for the purpose of developing or continuing a program of counseling, therapy, treatment or rehabilitation.

This consent to disclose information may be revoked by me in writing at any time, except to the extent that action already has been taken. This consent (unless expressly revoked earlier) expires on or when the child is released from the jurisdiction of the Court, whichever first occurs.

Further disclosure of this information is prohibited except with specific written consent of the person to whom it pertains.

A photocopy of this consent and release shall be as valid as the original.
