SICK DAY POLICY

RE:

In the event that you are sick from school or sent home early from school due to illness:

1. YOU must call the probation office BEFORE 8:45 a.m. or as soon as you get home from school.
2. If you are not in school, you DO NOT go anywhere except to see a doctor. Otherwise, STAY IN THE HOME AT ALL TIMES.
3. If you do not go to school at all or fail to complete the entire day, you DO NOT go to work or participate in activities outside the home including counseling appointments until you return to school. It is YOUR responsibility to notify your employer or counselor that you cannot work or keep your appointment.
4. These rules apply for ALL school days, Monday through Friday. If you do not complete a full day of school on Friday, these rules are in effect FOR THE ENTIRE WEEKEND. You may not work until you complete a FULL DAY of school.

FAILURE TO ABIDE BY THESE GUIDELINES COULD RESULT IN A LOSS OF DRIVING PRIVILEGES, CURFEW RESTRICTIONS, OR SIMILAR CONSEQUENCES DEEMED APPROPRIATE BY YOUR PROBATION OFFICER, INCLUDING A RETURN TO COURT.

IF YOU HAVE ANY QUESTIONS, ASK YOUR PROBATION OFFICER!
